~~415~~ Election of Mr Y.P. Mylara as City President & Metropolitan Municipality

Members of the MCC filed a petition within a period of seven days raising certain objections against the election of Mr Y.P. Mylaraswamy

The S.D.O. Chitaldrug has held an enquiry into the petition. The D.C. has submitted an detailed the several objections of the petitioners

Flag 'H' We consider that the allegations are not tenable & recommend that the election of Mr Mylaraswamy as President of the Municipality be confirmed

Flag 'I' (1) The defeated candidate Mr Prakash by his counsel Mr D Veerabasappa represented that he was not allowed sufficient time to let in evidence in the case before the enquiry officer, Mr A.R. Rau counsel was at Shimoga busy. The petition by Mr Prakash has been sent to the D.C. for a report as per orders of the D.C. maybe remanded to report on the specific point of the petitioner

I proposed that the election of Mr Mylaraswamy as President of Municipality be confirmed as recommended by the D.C.

15 As per order of the D C The
S D O Chittaldrug has held an
enquiry in regard to the
objection petition, filed
one A M Kallaiah & 3 Others
Contesting the validity of
the election of one
Mylara Setty as the President
of the Municipality

16. Both the S D. O
& the Amildar have reported
that all the objections are
neither maintainable on

D. C. has answered each

in his letter Dated

that all these objections

of the petitioners appears
to be that the enquiry

given to the petitioners
to represent their case

prevented from attending
the enquiry on 6.6.47
by reason of a marriage
in his house on that

Although a request has
been made by the petitioners
to the S.D.O to hold

~~The~~ enquiry on some other date ~~possibly~~; this request has not been granted on the ground that the D.C. had called for a report within 3 days

18 ~~He~~ The objections put forward, as seen from the present record, appear to be so frivolous & trivial that even if a further enquiry is held ~~he~~ it is highly doubtful if the verdict will be, in any way, different from the one that is now given by the D C

19) I am instructed to observe that the enquiry has not been held in a proper manner. The notice of hearing for the 6th June was, has been altered to the petitioner on the 4th & the interval was during his absence for him to lead evidence His request for an adjournment on the ground that he could not secure the presence of his Counsel on account of marriage in the latter house, has been summarily refused, for the reason that the D.C wanted the S. Dec, to complete the enquiry within 3 days. It is not known why there was this undue haste & why the D.C wanted the enquiry to be completed within 3 days. None of the witnesses for the petitioner called give evidence in the absence of their Counsel. The statement of the respondent does not refer to the merits of the case & at all nor has he chosen to adduce evidence to meet the objections raised in such circumstances, it is not understood how the D.C has submitted a report discussing the merits of the case Equity requires that a proper enquiry therefore be held, giving reasonable opportunity to the contending parties to substantiate their contentions. The D.C is accordingly directed to arrange for a fresh enquiry being held & to record the reasons with his opinion as the result of

of such enquiry within ~~a~~ ~~fortnight~~ twenty days

Municipal Councillor,

Sir,

Ref Presidential Election of the
Municipal Council, Hiriyur

The petitioner begs to bring the following few lines to your sympathetic consideration and speedy disposal

1 That the petitioner along with 3 other Councillors of Hiriyur Municipality prefered a petition on 1-5-1947 before the In-Charge - Deputy Commissioner Mr G A Naravana Setty - against Mr Mylara Setty, Hiriyur, challenging the validity of the elections in which the said Mylara Setty had been elected as a president of the Municipal Council The case was posted to 13-5-1947 and notice was sent to the respondent Mylara Setty On that day the respondent did not file any objections Though the Council for the petitioner submitted that objections have to be filed, the in-charge Deputy Commissioner said, that he would consider whether the enquiry

has

has to be held by him or by the Sub-Division Officer and then he would give us the date So on that day i e , on 13-5-1947 the case was not posted to any definite date but adjourned sine-die

2 After the said date, the petitioner was served with notice in the evening of 4-6-1947 that the enquiry would be held at Hiriyur on 6-6-1947 On 5-6-1947 the petitioner went to Chituldrug to inform his lawyer who had not been informed of the date of hearing at Hiriyur The lawyer returned from Mysore on 6-6-1947 and was unable to run up to Hiriyur immediately on account of his daughter marriage at Chituldrug The marriage ceremonies had commenced, Muhurtham being fixed on 8-6-1947 Lore over there was not sufficient time to summon witnesses through Court

3 The petitioner informed the Sub-Division Officer of the circumstances and prayed for a short adjournment The Sub-Division Officer refused to adjourn on the ground that he had been asked by the Deputy Commissioner to finish the investigation on 6-6-1947 Thus the petitioner was not given a fair oppertunity to prove his case The Council for the petitioner was not even heard on points of Law Even on 6-6-1947

no objections were filed by the respondent Mylara Setty

4 The petitioner humbly submits, in such an important case, the hurry exhibited by the Deputy Commissioner has prejudiced the case of the petitioner The petitioner humbly prays that an oppertunity be given the petitioner to let in evidence in the case and the records be sent back to the Deputy Commissioner for fresh disposal The election is illegal and not sustainable There is documentary evidence and oral evidence

Subject, Election to the election of Mr D Ylara Setty as President of Hiriyur Municipality

Sir,

I have the honour to state that the Municipal Council, Hiriyur was reconstituted from 1-4-47 the Amildar President of the Municipality held the election of the President on 26-4-47 M/s 1) F Mohamed Sab (2) Syed Abdul Wahab sab(3) Md Pacha sab (4) H S Rudranna (5) D Venkatachala Setty (6) Mr D Ylara Setty and (7) A M Kalliah, are the candidates, of whom, the first five withdrew and the latter two contested the election of the President Mr D Ylara Setty secured eight Votes and Mr A M Kalliah seven votes and as such, Mr Ylara Setty was declared as the non-official President of the Municipality

Under rule 7 of the rules relating to the election of Presidents of Town and Minor Municipal Councils as per G O No L 3055-1 207-27-1 dated 26-11-1927, the validity of the election was contested by a petition signed by M/s (1) A M Kalliah (2) Mohamed Pacha sab (3) H S Rudranna and (4) H Siddappa, Municipal Councillors of Hiriyur Municipality The Amildar President of the Municipality has submitted a detailed report in his No 17 dated 7-5-1947 which is self explanatory and requests sanction of Govt, to approve the election and to notify the same under rule 8 of the rules The Sub Division Officer, Chitaldrug was appointed, inst is office memo No A6 Pet 517/46-47 dated 2-6-47 to make enquiries and report The Sub Division Officer, Chitaldrug has submitted his report in his No 92 dated 7-6-47 stating that as per his personal enquiries, no case is made out to set aside the election

The several points raised in the petition and the replies to the several points are as follows, —

1) That no valid notice was issued in time intimating the Councillors about the meeting when the election of the President would take place When the said Notice was served on the appellants, there was hardly ten or eleven days time between the

service of notice and the date of elections,

This objection is not tenable because the calendar of events indicating the date of the special general meeting was issued on 10-4-47 and the notice of the Special General meeting was also issued on 10-4-47 The notice was also served on the councillors As (1) Srimati Komakka (2) Mr H L Rudranna and (3) Mr Kandaswamy gowda were not present at the Head quarters, due intimation was given in their houses by the Sanitary Inspector and they were also served with the meeting notice soon after they returned to Hiriyur before the date of meeting Mr H Y Rudranna was also a canidate and he withdrew All the 15 councillors were present at the meeting The objection may be over-ruled

(2) Item No 2 of the petition:- That the Amildar has no right to preside over the meeting on the day of the election of the President and all the proceedings that took place under his presidency are ultravires and illegal The election of the President in that meeting is invalid The reply to the above objection is that the Amildar President has presided at the meeting and it is in order As per section 10(6) of the Mysore Municipalities Act 1933, the Amildar shall exercise all the powers of the President and be deemed to be a councillor and as per section 18(3) of the Act, the President, shall preside at the meeting Nothing prevents the Amildar (interim President) to preside at the meetings as per the provisions laid down in the Municipal Act 1933 The objection raised will not stand and it may be over-ruled

3rd item of the petition,

The Amildar erred in allowing many candidates at the eleventh hour (about 10 minutes before the election) to withdraw their canidature This has also vitiated the elections

The rules relating to the election of Presidents in Minor Municipalities do not contain any specific provision in the matter of fixing the time for withdrawal of candidature applications The Amildar-President has accepted the withdrawal of 5 candidates before the time of election, as they were received The objection raised may be overruled

4th item of the petition

The first appellant who was one of the contesting candidates for

Presidentship got in counting seven votes and the respondent got in counting eight votes The respondent was declared as having been elected President The first appellant is aware that eight councillors voted for him including one Muthusvamy Kander He does not know Kannarese He was misled by the clerk Venkata Rao who told him that the first appellant was the sixth man in the voting paper while it is not so The employment of the above said clerk who is an official in the taluk office while the unicipal office clerks were available has prejudiced the election of the 1st appellant as the said clerk was in collusion with the respondent

In answer to the above objections, the Amildar President has reported that the taluk office Head Clerk Venkata Rao had been entrusted with the work of elections relating to the Municipality and the District Board Moreover, there was some complaint against the Hiriyur unicipal office clerk that he was siding some of the candidates In these circumstances, the Amildar states that the Assi tance of the taluk office Head clerk was taken at the time of the elections for clerical work only and he was not allowed to take part in the actual election work No complaint was received regarding the Head clerk being in collusion with the respondent or with any other candidates The allegation made against the Head clerk about misleading the councillor ie , r uthusvamy Kander is untenable The objections may be overruled

Item No 5 of the petition

The election was not held in the Municipal office, but in the open Verandah, where many outsiders including M/s K Benchappa Gollahalli Hanumanthaiah Maradihalli Narasimhaiah openly canvassed among the councillors for the respondent that one of the councillors Srimathi Kamakka was served with the notice of the meeting that was held on 26-4-47 on that very date

The Amildar President has reported that the election was conducted in the unicipal Office premises, after making proper arrangements for the conduct of the polling work in absolute secrecy No outsiders were allowed within the premises Proper police arrangements were also made at the time of election

In the notice of the special general meeting served, it is observed that Srimathi Kamakka was absent from head uarters and that due intimation was given at her house by the Sanitary Inspector She has also signed against her name in the meeting notice and she has also attended the meeting on 26-4-47 The objection may therefore be overruled

6th item of the petition

That the elections were held on 26-4-47 and this petition is filed within seven days The petition is filed within the prescribed time

The Sub Division Officer, Chitaldrug who held the enquiries, has reported in his No 92 dated 7-6-47 that the contending parties have stated that they could not give any evidence for the irregularities without their counsel He has further stated that he has made personal enquiries and he is of opinion, that the election was conducted as per election rules

In these circumstances, I am of opinion that the allegations made in the pet tion are not tenable and that no case is made out to set-aside the election I recommend that the election of Mr Mylarasetty as President of Hiriyur Municipality may kinily be approved and a notification issued e rly

All the connected records ending with letter No 92 dated 7-6-47 received from the Sub Division Officer, Chitaldrug including the petition of the contending councillors are enclosed for favour of kind reference

Sir

1) With Reference to your letter No N 6 P R 517/46-47 dated 21-7-1947 on the above subject forwarding for approval the election of Mr Y P Nyayapathy as President of the Nimmanapalle municipality together with a Report of the enquiry held on the objection petition of the A M Kalliah with your findings thereon I am directed to state that the A M Kalliah has petitioned to Govt as also by alleging that he was denied Reasonable opportunities to let in evidence in the enquiry and a copy of which has also been sent for your Remarks on 30 6 47 with no L 17716(2)P On a perusal of the Records connected with this Case Govt are constrained to observe that the enquiry on the petition of the Kalliah has not been properly held in a proper manner

The notice of hearing fixed for the 6th June 1947 has been served on the petitioner only on the 4th instant and the interval is obviously too short for him to lead evidence. His request for an adjournment on the ground that he could not secure the presence of his Counsel on account of marriage in the latter's house, has been summarily refused for the reason that the Court wanted the same to complete the enquiry within three days as it is not known why there was all this haste, and why the Court wanted the enquiry to be completed within three days. None of the witnesses for the petitioners could give evidence in the absence of their Counsel.

3) The statement of the respondent also does not refer to the merits of the case at all, nor has he chosen to adduce evidence to meet the objections raised

4) In such circumstances it is not understood how ~~the Magistrate~~ we have submitted a report discussing the merits of the case ~~at all~~ on the evidence let in by the parties. Equity requires that a proper enquiry should be held going. Reasonable opportunity

Respected Sir,

We the members of the Hiriyoor Municipal Council have the honour to bring the following few lines to your kind consideration and favourable orders

The re-constitution of Hiriyoor Municipal Council began from 1st April 1947 The non Official President's election was conducted in April 1947 Subsequently an appeal was filed and it is not settled for the last 7 months The grounds are only very minor points The present Ex-Officio President, Amildar has got much Revenue and Food work He will have not time to attend to Municipal affairs by this the condition of the town has gone bad to worse in all matters and there is none to look after the same Recently on 29-10-47 Vice-President election was conducted in which Mr Muthuswamy Khander secured 8 votes where the other party secured only 6 Even then an appeal as filed for a minor objection But their idea is to gain time by prolonging the disposal of the petition

Hence we are forced to bring this before your honour for equity and justice and therefore request you to kindly order for the immediate disposal of the case, for which act of kindness we shall remain highly grateful to you

We have the honour to be,
Respected Sir,
Your most obedient servants,
